

COVINGTON WRESTLING 2009-10

29-0
IN DUALS

Season Summary

Entering this season, expectations were high for Covington as they were led by a strong senior class, returned numerous lettermen and district qualifiers, and had a large freshman class joining the team. The Buccs didn't disappoint as they battled their way to Covington's first unblemished dual meet record – a perfect 29-0! (The previous best was a 16-0-1 record by the 1984 Buccaneers.) The team started out strong, winning their 3rd consecutive Northeastern Dual Meet Invitational and followed that up with an outstanding performance at the Versailles Duals.

Throughout the season, Covington defeated a number of outstanding teams. The Buccs opened with a win over Oakwood – who would later finish as sectional runners-up to Graham – and shortly thereafter defeated eventual sectional champions and district runners-up Mechanicsburg – a team boasting 5 state qualifiers and a state alternate. Covington also earned victories over solid dual meet teams Troy and Coldwater, and followed that up with a nail-biting win over Dixie – a team that finished in third place at the State Duals. Towards the end of the season, the Buccs faced adversity as they lost a couple starters from their line-up and had to once again face Versailles and Arcanum. To remain undefeated, the new starters stepped up to help the team win close victories and give Covington a season it won't soon forget.

With a deep team full of solid wrestlers, Covington ruled the roost when it came to dual meets, but they also performed very well in tournaments, where squads with more elite wrestlers usually dominate. The Buccs won the Troy Invitational for the first time ever and nearly won the Ben Logan Invitational, finishing as runners-up. The team also finished in a solid 17th place out of 47 schools at the GMVWA Holiday tournament – despite being the smallest school competing. The Buccs closed out the season by winning the Covington Duals.

In what turned out to be one of the top-three most difficult Sectional tournaments in the state (out of 48 sectionals, all divisions), the team finished in 4th place out of 20 schools as nine of the twelve competing wrestlers placed in the top-six. Five wrestlers – Matt Breisch, Sam Angle, Kyler Deeter, Andrew DeHart and Josh McMillion – advanced to the District tournament and three wrestlers – Brock Smith, Aaron Devenport and Brian Olson – finished as district alternates, while Brandon Flora placed 6th.

At Districts, Covington finished in 21st place out of 53 schools as Andrew DeHart won his first district championship to advance to state where he finished as a state runner-up at 145 lbs. – narrowly missing the championship – to become Covington's first three-time state placer and second finalist.

Four wrestlers made their mark on the record books this season. Andrew DeHart set new school records for Single Season Pins (34), Single Season Team Points (293) and Career Near Falls (178), while tying Logan Brown for the Single Season Wins record (52). Andrew also finished 2nd in Career Wins (144), 2nd in Career Team Points (771), tied for 3rd in Single Season Near Falls (60), 5th in Career Takedowns (305), tied for 5th in Career Pins (70), tied for 7th in Single Season Takedowns (116) and 10th in Single Season Winning % (52-4, 92.9%).

Matt Breisch finished 4th in Career Wins (129), 4th in Career Team Points (661), 6th in Career Takedowns (278), 9th in Career Winning % (129-44, 74.6%) and tied for 10th in Single Season Wins (41). Josh McMillion finished 5th in Career Wins (119), tied for 5th in Career Pins (70), 5th in Career Team Points (655) and 7th in Single Season Pins (26). Kyler Deeter finished tied for 10th in Single Season Wins (41) and tied for 10th in Fastest Pin (11 seconds).

Congratulations to everyone on the team for being part of a history-making season! A special thanks to our seniors and senior parents for all of your help over the past four years. We also want to thank our statisticians as well as the Wrestling Parents and others who supported the team this year.
